Dear Parent(s)/Guardian(s) of _____,

You are receiving this notice because your student was asked to reflect on their classroom behavior today. They were first given a quick warning/reminder by the teacher, and continued to behave in a similar non-negotiable manner. Upon reflecting on their behavior in the hallway/MS Pod, their responses were completed (an emailed copy was sent to you).

In order for all of us to remain on the same page about appropriate classroom behavior, please review your child's reflection and any/all goals (top left) with your student; goals you both agree they need to focus on in order to improve.

Going forward, I will be glad to help your child correct this behavior(s), reaching that desired goal(s).

Sincerely,   Student Signature _____
